

THE PALAIS ROYAL

The Only Store in Washington That Buys and Sells for Cash.

When the High Priests of Finance grow confidential they tell us that panics and money depressions are the evil followers of Credit, and that too much credit must ever result in the destruction of all arts and manufactures. If this be true, then Debt is the Enemy of Happiness and Credit is nothing less than a Mortgage on Man's Uncertain Future.

Reason points to the Cash Store for relief, and will not be disappointed. The Palais Royal, operated by the simple principles of cash, insures to its patrons the full enjoyment of Ease, Comfort and Contentment.
